

**V. RATER'S COMMENTS FACTS AND SPECIFIC ACHIEVEMENTS:** Amn Hensley is a dedicated airman in the true sense of the word; one who takes pride in performing all tasks in a timely and professional manner. Although he is still learning, his performance far exceeds that of his contemporaries, and can be depended upon to complete tasks with minimum supervision. His most recent noteworthy accomplishment was the construction of a door for a 150 cubic foot walk-in refrigerator. This task required working to close tolerances and strict adherence to technical data. His keen knowledge of structural repair procedures was quite visible in the excellent quality of the finished product. **STRENGTHS:** Amn Hensley is an aggressive individual, who has the keen ability to grasp and retain information. He has shown daily, the ability to make sound decisions. His congenial attitude towards his supervisors and co-workers has promoted a more harmonious atmosphere. **OTHER COMMENTS:** Amn Hensley's progression in five level upgrade training is commendable. Along with thorough workmanship, he has maintained a passing rate of 90 percent on all volume review exercises. He is a model airman in all aspects. His attitude and dedication truly reflect his value to this squadron and the Air Force. Promotion to airman first class is recommended well ahead of contemporaries.
