

V. RATER'S COMMENTS FACTS AND SPECIFIC ACHIEVEMENTS: Sgt Hensley is a highly qualified and competent NCO. The maintenance he performs is of superior quality and is always completed ahead of schedule. He cleared over 200 backlogged work orders requiring him to repair minor delaminations; remove and replace broken hardware; and inventory and restock 20 Bare Base shelters. He cleared these work orders in just six weeks; a task scheduled to take nine weeks. Sgt Hensley was also a key member of a 20-person cadre of specialists who assisted in Bare Base equipment training of Prime BEEF/RIBS specialists in the setup and maintenance of a Bare Base site during a exercise CORONET BARE 87-4. Although in adverse weather conditions, Sgt Hensley guided these specialists through the exercise deployment, erection, maintenance, and redeployment, ensuring the training they received was of the highest quality. STRENGTHS: Sgt Hensley has a super ability to teach Bare Base asset erection procedures enabling even the mediocre learner to understand intricate procedures and to grasp critical setup sequences. RECOMMENDED IMPROVEMENT AREAS: In his eagerness to progress, Sgt Hensley sometimes becomes argumentative. After being counseled, he has shown much improvement. OTHER COMMENTS: Sgt Hensley has great potential to become an outstanding, well rounded NCO. With more experience and understanding of his NCO role, he will benefit this unit and the Air Force. He projects a professional military image. Promote along with contemporaries.

VI. 1ST INDORSER'S COMMENTS
 NONCONCUR
 Sgt Hensley is always eager to do more and is involved in several extra duty activities. One such activity is the Holloman Crash and Recovery Team. He has participated in two crash recovery efforts in the mountainous regions surrounding Holloman AFB. Persevering in adverse weather conditions and treacherous mountain terrain, Sgt Hensley aided in providing an invaluable service to the base and the Air Force. Such efforts are to be commended. Promotion is well deserved.

 Sgt Hensley's professional attitude and knowledge of Bare Base shelters have made him an invaluable asset of my division. He was selected to participate with an Expandable Personnel Shelter (EXP) demonstration team during Lt General Marquez' visit. His can-do attitude aided immeasurably in the successful demonstration. Promote!
