V. RATER'S COMMENTS

- Intelligent, computer savvy NCO--challenged with daunting 400-member unit security manager position
- Process-oriented--created security manager checklists--significantly aided program training/continuity
- Made gradual progress on completing paperwork and processing Special Access Requirement clearances
- Created electronic security book and aligned flight security books to mirror them--improved unit training
- Employed Electronic Personnel Security Questionnaire program throughout squadron ensuring the very latest software availability--assisted members in completing SF-86 security clearance questionnaires
- Incorporated Temporary Secure Working Area and Temporary Special Access Program Facility training into Right Start; effort supported de-classification of work centers; decreased security requirements
- Mentored Work Group Manager NCOIC--assisted her with technical issues, helped ease her transition from admin duties to the communications field--invaluable support helped her build a dynamite program
- Ensured accurate PRP notifications--key to "Excellent" base PRP during Nuclear Surety Inspection
- Huge asset to unit morale programs--provided audio-visual support to retirement ceremonies/holiday party
- Hard worker, loyal NCO; Darren's talent could be better harnessed in a computer technical support job

Last performance feedback was accomplished on: 18 Apr 2001 *(Consistent with the direction in AFI 36-2406.)*

VI. ADDITIONAL RATER'S COMMENTS CONCUR NONCONCUR

- Inventive--created helpful database to ease tracking of members' PRP and security clearance statuses
- Superb execution of unit mass line badge re-issue--linked electronic forms to database--expedited 200%
- Expert squadron network administrator--realigned common storage drives on base servers ensuring proper file management and safeguarding of operations and aircraft status database; redesigned budget database
- Led massive unit KC-97 static display restoration--helped direct junior airmen through painstaking process
- Solid technician; better organizational/prioritizing skills would have enabled a stronger security program

INSTRUCTIONS

Reports written by a senior rater or the Chief Master Sergeant of the Air Force (CMSAF) will not be endorsed.

Reports written by colonels or civilians (GS-15 or higher) do not require an additional rater; however, endorsement is permitted unless prohibited by the Instruction above.

When the rater's rater is not at least a MSgt or civilian (GS-07 or higher), the additional rater is the next official in the rating chain serving in the grade of MSgt or higher, or a civilian in the grade of GS-07 or higher.

When the final evaluator (rater or additional rater) is not an Air Force officer or a DAF civilian, an Air Force advisor review is required.

All evaluators enter only last four numbers of SSN.
