Letter of Appreciation: For SSgt Darren Hensley

To the commander of the 509 MXS

We at Computer Services wish to express our sincere thanks to SSgt Hensley for his outstanding support to our booth during KOKO EXPO 99. SSgt Hensley donated his time to ensure our booth setup, operation and tear down went smoothly. He assisted our staff with flyers and customer service during both 8 hour days. His knowledge of computer operations made his donated time invaluable. His willingness to help us and eagerness to be involved in community activities are exceptional qualities. You should be proud of Darren's efforts to contribute to our local and regional community. He represented himself and the Air Force with pride and professionalism. We want to insure his selfless actions do not go unrecognized. Please pass on our remarks and accept our congratulations on an outstanding Airman.

Thank You from The Computer Services Staff

Michel P. Wilpas
