

*49th Fighter Wing  
Holloman Air Force Base  
13 April 1994*

SSgt Darren Hensley  
49 Bare Base Support Squadron

Please accept my sincere thanks for a job well done in the wing command section. Our "brain-center," which requires an efficient information management system, apparently had a large tumor. Your expertise and tenacity helped solve our computer problems and relieve an immense amount of stress. Thanks, again, for an outstanding job!

JOHN F. MILLER, JR.  
Brigadier General, USAF  
Commander
