1. The 1986 Holloman Open House was highly successful. Over 35,000 people from the surrounding communities visited the base. They enjoyed the aerial demonstrations and aircraft static displays, but most importantly everyone saw how we work to defend our country.

2. Your unit's display was a highlight and showed considerable effort on the part of all the individuals involved. I would like to extend my sincere appreciation to them for the time they spent, especially on the day of the Open House. Their motivation and professionalism greatly impressed the public, demonstrating the enthusiastic Holloman spirit. My hat's off to all of them!
