TO: 4449 MOBSS/CC

1. On 12 Feb 88 we had a tragic aircraft accident in which the following members of your organization performed Search and Recovery duties from 12 Feb to 13 Feb 88.

SSgt Ronald Yake
SSgt Steven Campbell
Sgt Darren Hensley

2. Please pass to these individuals my sincerest appreciation for a difficult job done very professionally. I must add, it takes very special people to handle such a sensitive task.

TO: (DEMSS) Sgt Darren Hensley

It's a double pleasure for me to indorse this letter of appreciation. First, because I agree it takes a special person to volunteer for Search and Recovery duty. Your efforts are commendable. Secondly, thank you for bringing favorable recognition to the 4449 MOBSS.
