SUBJ: Letter of Appreciation

TO: 49 BBSS/CC

1. Please convey my sincerest gratitude to TSgt Paul E. Paquette and SSgt Darren L. Hensley for their assistance during our recent "flood" in the BBR training offices.

2. Their quick response in turning off the water and obtaining the necessary equipment to remove over 500 gallons of standing water no doubt saved thousands of dollars worth of equipment and prevented further damage to the building. The caring attitude and leadership displayed by TSgt Paquette and SSgt Hensley are truly noteworthy.
