SUBJECT: Letter of Congratulations

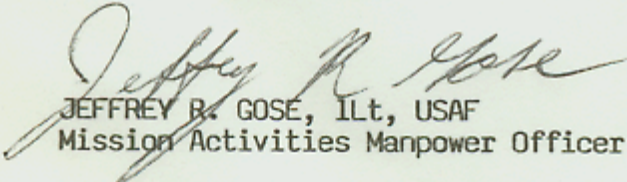

TO: Darren L. Hensley

1. I would like to congratulate you on your completion of the Leadership School. As a supervisor, you are assigned many responsibilities which contribute directly to the Air Force effectiveness and efficiency. One of these responsibilities about which the Commander has expressed a very personal interest is that of promoting participation in our military and civilian Suggestion Program.

2. As a part of our supervisory team, you have a wonderful opportunity to contribute directly to the effectiveness and efficiency of this program. To fully capitalize on this opportunity, it is important that you submit your own personal ideas, that you encourage and assist your subordinates in the submission of their ideas, and that you accurately and honestly appraise all suggestions which are referred to you for evaluation. If you will do this, and do it well, the Air Force will be able to draw upon the knowledge, experience and creative imagination of every Air Force worker and every Air Force supervisor.

3. I sincerely hope that you will accept this challenge and that you will actively support our Suggestion Program. Attached is an AF Form 1000 for your idea. I hope that you will give us an idea soon and encourage those that work for you or with you to do the same.

4. If you have any questions on how to submit your idea, feel free to contact Mrs. Rachel Baca, Chief, Productivity Branch, or her staff at Extension 3532.
